WHAT DOES HONDO

... need with more industry?

I feel certain there are some people in our city who will ask this very question when they hear about the formation of a group designed to attract new industry or work toward the expansion of present industry.

New industry means growth, whereas on the other side of the scale no new industries mean a decline in population. In other words, Hondo cannot remain status quo. We must grow or begin to fade away.

A look at the census report over the last 10 years will show that Hondo hasn't enjoyed too much growth, but we did manage to hold our own and grow by a few hundred people.

We don't want to mushroom, or boom, or explode. That is not the idea of the organization. It hopes to attract some new industry or possibly help some present industry expand.

Do New People Help?

What kind of growth does a city enjoy by new employment brought on by either new industry or expansion of present industry?

Information supplied us by Homer Tucker of the Texas Employment Commission gives the results of a study made by the Economic Analysis and Study Group of the Chamber of Commerce of the United States. It shows that every new 100 factory workers in counties such as Medina means also:

- Personal income--up \$1,036,000 yearly
- One more retail establishment
- Retail sales--up \$565,000 per year
- Bank deposits--up \$490,000
- Nonmanufacturing jobs--up 68
- Population--up 351, including 97 more families
- School enrollment--up 79.

The study reads: "Identical results from industrial growth cannot be expected in all communities. Economic effects will depend on many factors, including the type of factory, characteristics of the labor force, wage scale of the factory, and the nature, size and utilization of community facilities.

"If the community has unused labor supply, buildings and other resources, there will be less impact than if its resources already are fully utilized.

"This study, contained in a booklet entitled 'What New Jobs Mean to a Community,' does not say whether growth is good or bad. But economic growth will be needed if the quality of life is to continue to improve."

One point the study brought out that definitely is in keeping with the thinking of the new organization is: "The real issue is not growth or no growth, but rather the kind of growth, especially its quality."

What Do We Have To Offer?

According to Tucker and other Texas Industrial Commission personnel Hondo has much to offer. We have a fine highway system, railroads, and one of the finest airports in any town our size in Texas [really it's better than some airports in many larger cities].

We have people who love their town, who take pride in what it looks like, who have preserved historical heritage, and who strive to improve for the future.

When it comes to suitable sites on which industries could locate, we are way ahead of any town our size.

Now what we need is the desire of enough people, the push of enough people, the dedicated effort of enough people, the "really down deep want to" of enough people to keep the ball rolling now that it has been started on its journey.

How About Expansion?

This is a good question. And the answer is "We hope every industry in our area can expand. We hope this new organization can get in a position to help them expand.

Only last year Gary Aircraft Corporation expanded its local facility by moving its aircraft inspection division to Hondo.

Universal Rundle is in the process right now of taking bids on an expansion program.

Both companies' growth will mean more to Hondo, more employment, more spending in our city, more taxes to help in the operation of our city and county. I say "more power to both these companies as well as others. I only hope that they can announce further expansions as time goes by. If they can it will mean that

All aboard bus to Houston!

All Aboard!
That's the cry for passengers on the December 1 and 2 (Saturday and Sunday) chartered bus which will head for Houston and the AstroHall and a big, big time.

"We have 33 fun-lovers who have said they definitely will make the trip," said Burnis Lawrence, president of the Hondo Chamber of Commerce which is sponsoring the fun weekend.

"And since right now we have a 47-passenger bus reserved, we have

some more seats available. Also, we have plenty of tickets reserved for the Oiler-Raider clash in the AstroHall on Sunday afternoon, December 2. So anyone who really wants to have fun should contact Mrs. Lillian Porter at the Chamber office (426-2015) and let her know you want to go."

Bus tickets are \$10 per person; football tickets are \$7 per person; and rooms with two double beds are reserved at \$14 for singles, \$18 for doubles. "All you have to do is

give us a check for the bus and football tickets," says Lawrence. "Then you can take care of your rooms in Houston. But we do have rooms reserved."

Honored guests on the trip are the Hondo World Champion Corn shuckers. All three, Charles Halbadier, Mrs. Milton Heyen and Chris Heyen will be on the trip and show the some 80,000 people expected to attend the Big Country Fair just how they won their titles.

Public meeting

To discuss economic improvement

What could be termed as one of the most important meetings in Hondo's future is planned for Tuesday night, November 6, in the Audio Visual Room of Hondo High School.

This is the second meeting of the newly formed group designed to work for the economical improvement and industrial development of Hondo and its immediate area. The meeting is open to all who are interested in attending.

Two principal speakers will be Jerry Heare of the Texas Industrial Commission and Ray Smith of the Small Business Administration.

"These two men possess expertise in the fields of economical improvement and industrial development," H. C. Hietenhofer, newly elected chairman of the local group, said. "They will tell us why we need such an organization and what we might hope to accomplish once we are fully organized."

Mason sings on release

The airways are filled these days with some pretty good sounds that everyone locally hopes will become a big hit for a Hondo resident, Ronnie Mason.

Ronnie has just released a record that holds two good songs and it

BIG HIT ... That is what Ronnie Mason, left, hopes for his recent release. He shows the release to Ron Powers, a fellow disc jockey at KRME. Ronnie says the record is "getting good play" in San Antonio, Uvalde, Kerrville and, naturally, in Hondo.

Howard, Mumme presented awards

The Gold Star Award, highest 4-H award presented at County level, was presented to Lynda Howard of Devine, and Jimmy Mumme of Hondo at the annual Medina County 4-H Awards Banquet Saturday, October 27, at St. Dominics Parish Hall, D'Hanis.

Lynda and Jimmy were presented Gold Star Certificates and \$25 Scholarships from Medina County 4-H Council and Hondo Demonstration Council.

Lynda has been an outstanding leader in 4-H for eight years. She has attended the National 4-H Citizenship Short course in Washington, D. C. She has won first place with her method demonstration at State Round-Up and has participated in the State Dress Revue twice. Lynda was honored by the State Fair of Texas for her leadership as 4-H County and District Council Co-chairman and member of the State 4-H Council.

She is the daughter of Mr. and Mrs. Jerry Howard and a freshman at Southwest Texas State University.

Jimmy has been active in 4-H for nine years. He has completed projects in Swine, Sheep, Beef, Range Cattle, Rifle and Tractor, and has served as 4-H Council Co-Chairman. He has participated in District Leadership Lab and

Texas 4-H Ecology Conference. Jimmy has also been active in Future Farmers of America. He has received the Chapter Farmer and Lone Star Farmer Degrees. He was also named Star Lone Star Farmer of the Revaldina District.

Jimmy is the son of Mr. and Mrs. Stanley Mumme and a freshman Animal Science major at Texas Tech.

Mariette Aelvoet, chairman of the Medina County 4-H Council served as mistress of ceremonies and Rev. Homer Weimer gave the invocation for the covered dish dinner. Deanna Howard, 4-H Council Girl co-chairman welcomed the 4-Hers and their families and special guests and Karen Howard, 4-H Council Secretary, introduced the special guests.

Entertainment was presented by the Natalia 4-H Club and consisted of a skit depicting American history from Columbus to the first Thanksgiving.

Tim Gilliam, 4-H Council Boy co-chairman recognized the following 4-H leaders for their service: 10 years of Leadership - Clarence Wurzbach, Mr. and Mrs. Dan Herrmann, and Mrs. Paul Marbach; five years of Leadership - Mrs. Marvin Thannisch, Mrs. Albert Saathoff, Mrs. N. C. Gardner and Mrs. George Persyn.

New leaders recognized were:

Tuesday

Vote turnout to be light

Many are needed, but few are expected Tuesday, November 6, at the ballot boxes when Medina Countians join fellow Texans in

Homecoming activities this weekend

Hundreds of ex-students who in prior years have trod the halls of learning at Hondo High School will gather here this weekend to join in the observance of Homecoming.

Activities included in the tentative program spell a good time for all concerned and will be highlighted by the football game between the Owls and Carrizo Springs Friday night.

This will be followed by an open dance at the National Guard Armory, with George Chambers providing the music. Admission will be \$1.50 per person.

Saturday will see everyone enjoying a band concert by the Owl Band from 11 a.m. until noon at the Hondo City Park. Then they will enjoy a barbecue lunch at the park from 12 until 1 p.m.

Tentative schedule includes: Friday, November 2 - 1-3 p.m.--Registration at High School Audio Visual Room and Open House in all Buildings; 7-1 p.m.--Registration at football field; 8 p.m.--Football game, Hondo vs. Carrizo Springs; 9 p.m.--Halftime activity, crowning of the Homecoming Queen; 10 p.m. to 1 a.m.--Dance at Armory, music by George Chambers, admission \$1.50 per person.

Saturday, November 3 - 11 a.m. to noon--Owl Band Concert at City Park; Noon to 1 p.m.--Barbecue, Hondo City Park (on Tarpley Road); 1 p.m.--Business session; 1:45 p.m. to midnight--Class reunions; contact your class chairman for time and place.

voting on nine Constitutional Amendments

Polling places in Medina County will open at 7 a.m. and remain open until 7 p.m.

County voters may cast their ballots at these locations: North Castroville, D'Hanis, Natalia, Yancey, LaCoste, Southeast Hondo (Fire Station), Southwest Devine and Mico.

Constitutional Amendments to be voted on, as provided the Anvil

Defensive driving course set

A Third Defensive Driving Course sponsored by the Hondo Home Demonstration Club and the Texas Agricultural Extension Service will be offered on Nov. 5, 6 and 7, at 7 p.m. in the Hondo High School.

Fee for the course is \$10 per person, and those who complete it will receive certificates which entitle them to a 10 percent reduction in bodily injury, property damage, medical, and collision insurance premiums for a period of three years.

The Defensive Driving Course instructs participants on how to avoid a collision with the vehicle ahead and behind; how to avoid a collision with an on-coming vehicle or how to avoid an intersection collision; it teaches the art of being passed and passing on the highways; and how to avoid common collisions. Modern audiovisual techniques will be used each night to teach the class.

AMENDMENTS

Herald by State Senator John Traeger of the 21st District, include:

Amendment No. 1 -- S.J.R. 8: Amending Article III, Section 5 of the Texas Constitution, to provide for annual regular legislative sessions, limited to 180 days in odd-numbered years, and to 60 days in even-numbered years, the shorter session to be devoted to fiscal and emergency matters only; amending Section 24 to provide annual salaries of \$15,000 and per diem payments of \$18 for all legislators.

Amendment No. 2 -- H.J.R. 7: Amending Article XVI, Section 50 of the Texas Constitution, to include the real property of a single adult within the scope of homestead protection, and to require the consent of both spouses to abandon the homestead; amending Section 51 to include in the definition of homestead the place where the claimant exercises his business or calling.

Amendment No. 3 -- S.J.R. 13: Amending Article VIII, Sections 1-a and 1-b of the Texas Constitution, extending the \$3,000 ad valorem tax exemption to the homesteads of unmarried adults.

Amendment No. 4 --

S.J.R. 1: Amending Article XVI, Section 59 of the Texas Constitution, to require copies of all bills proposing to create conservation and reclamation districts to be delivered to the commissioners court of each county in which the district or any part of it would be located. Copies would also be sent to the governing body of each incorporated city in whose jurisdiction any district or part thereof lies. These copies must be sent at the time notice of the intention to introduce the bill is given.

Amendment No. 5 -- S.J.R. 12: Amending Article XI, Section 7 of the Texas Constitution, to allow a majority vote, rather than a 2/3 vote, to levy and collect a tax to pay for bonds issued for construction of sea wall, breakwaters, or sanitary purposes in counties and cities bordering on the coast of the Gulf of Mexico.

Amendment No. 6 -- S.J.R. 26: Amending Article V, Section 8 of the Texas Constitution, to give both the district court and the county court the general jurisdiction of a probate court, and to empower the legislature to change the jurisdiction of

either court in probate matters.

Amendment No. 7 -- H.J.R. 6: Amending Article III, Section 49-b of the Texas Constitution, to provide for an additional \$10,000,000 in bonds or obligations to be issued and sold by the Veteran's Land Board, and to abolish the 4 1/2 percent maximum interest rate.

Amendment No. 8 -- S.J.R. 29: Amending Article XI of the Texas Constitution, adding a new Section 5(a) authorizing cities, towns and villages to levy ad valorem taxes sufficient to pay their general obligations. Currently, the constitution limits taxes which cities may levy to 2 1/2 percent of their taxable property. Further, the legislature would have the power to limit the total principle amount of general obligations that the city or town may issue.

Amendment No. 9 -- S.J.R. 25: Amending Article VIII of the Texas Constitution, adding a new Section 2c, authorizing the legislature to exempt from property taxes all real and personal property used by nonprofit water supply corporations and nonprofit water supply cooperatives.

CITIZENSHIP GROUP VISITS JAIL . . . Hondo 4-H Citizenship Group presented a certificate of appreciation to Sheriff C. J. Hitzfelder and staff, and Sgt. O. E. Clark and

staff. Pictured are Debbie Marquis, Jessie and Patty Seals, Valerie Cole, Douglas and Chris Cole, Leslie Shaw, Patrick Richard, Brian Boon and Brian Bader.

Chamber Corner

By Lillian Porter,
Exec. Secretary

Carl Fischer of Fischer's Barber Shop dropped by the other day and gave us money to increase his membership for the year. Thanks to Carl for this belief in the work we are doing for the town.

Guests: Mr. and Mrs. George R. Stogsdell of Bloomington, Indiana, were visiting their son in San Antonio and were driving around the area. They saw our sign and were intrigued; so they dropped by and picked up some cards and bought other Hondo cards as well. R. Towary of Knippa came by the other day looking for a gunsmith.

Letters we love to get: "My husband and I are planning a hunting trip to your area. We would appreciate some information on day leases, and also a list of motels or lodges. Sincerely, Mrs. Tomas Pulliam of Groves, Texas."

"Gentlemen: I would appreciate it if you could send me literature about your area of interest to a tourist and possible future resident in your community. Sincerely, William P. Tucker, Lubbock, Texas."

And a letter that made us sad:

"Gentlemen:

"Until just recently, I had hoped to make an automobile trip around the country. On the suggestion from a friend, I wrote to a number of Chamber offices requesting whatever material they might have about their town and area."

"Now, because of an accident, I am permanently confined to my home. But because of the tremendous response to the places I'd written and reading about places and things I never had any idea about, and with the time I now have, I just thought I'd write to all the Chamber offices."

"If just a postcard or a letter, or anything at all, then I shall feel I've traveled just a bit farther and learned a little more. I shall appreciate very much hearing from you. Thanks a million. Sincerely, Bryan Lee Hinyub, 708 Hinyub Avenue, Gretna, Louisiana 70053."

Keep that telephone ringing is the motto of our local Southwestern Bell Telephone manager, Mrs. Jo Turvin, and that's what happened around here last week.

We called: Lynn Boehme in Castroville to see about getting the Pearl sound truck for the Wild Game Dinner on November 24; and made a call to

Hondo is on the grow."

Important Meeting

Tuesday night the new development group is sponsoring a townwide meeting to discuss the need for new and expanded industry in our town.

All the interested public [and this should be everyone] is invited to be present and hear Jerry Heare of the Texas Industrial Commission and Ray Smith of the Small Business Administration tell why such an organization is needed and how its goals can be

accomplished.

So, if you want to be a part of the growth of your city, come to the Audio Visual Room at Hondo High School at 7:30 p.m. Tuesday night. It really might prove worthwhile.

TWO WOMEN DRIVERS

. . . have jumped me with the same problem, and from their attitude I think they think I can solve it. I don't really think so, but here goes.

The problem concerns the traffic lights at Avenue M [and I guess Avenue K also]. Under the new smart-alek lighting system installed some time ago by the Texas Highway Department there has been a change in the old procedure of flashing lights when a train is coming on the tracks.

Right now the lights on Highway 90 [that's 19th Street] flash yellow when a train goes by, while the lights on Avenues M and K flash red. This means, of course, that traffic on Highway 90 is not [let's repeat that -- is not --] required to come to a stop, but traffic on Avenues M and K certainly must stop.

Now, it seems that problem as expressed by these two women drivers was they did not realize the light was only caution on Highway 90 and after coming to a stop proceeded to cross the highway. And they nearly got hit.

"Why," one of them told me, "you should have seen the dirty look that man gave me when I ran out in front of him."

So to prevent dirty looks from both men and women drivers, please remember traffic on Highway 90 has the right of way when the lights are blinking.

THE JOYS OF BEING

. . . an editor are adequately explained in the following piece:

"Getting out this paper is no picnic. If we print jokes, people will say we are silly; if we don't they say we are too serious. If we clip things from other papers, we are too lazy to write it down ourselves; and if we don't, we are stuck on our own stuff."

"If we stick close to the job all day, we ought to be out hunting up news; if we do go out and try to hustle, we ought to be on the job in the office. If we don't print contributions, we don't appreciate true genius; if we do, the paper is filled with junk! If we make a change in a fellow's writup we are too critical; if we don't we are asleep."

"Now, like as not, someone will say we swiped this from some other paper. And we did."

TUESDAY IS ELECTION
... day over Texas and local residents will join fellow Texans in voting on what might be the last constitutional amendments ever to be placed on our present document.

There are nine amendments and they each deserve the careful consideration of every citizen of this state. I know what I think should have no bearing on how people vote for these proposed amendments, but I don't mind saying that I intend to approve all nine. I hope all Texans do. But whether they do or not, I certainly hope they take time to vote on them.

IN AUSTIN

... Tuesday night representing Hondo and Medina County at the enormous rally for Gov. Dolph Briscoe was a contingent of several people.

The ones I saw [and I say this because I am afraid I might not have seen everyone in the mob] were Rep. and Mrs. John Poerner, Mr. and Mrs. Pete Morales Jr. of Devine, County Judge and Mrs. Jerome Decker, Mr. and Mrs. E. J. Chapa, County Attorney and Mrs. Allen Lee, Precinct 1 Commissioner and Mrs. Fred Bader, Tony Mendoza, Rocky Sedgwick and myself.

We all enjoyed "lunchbox dinner" with the Governor and Janey and more than 9,000 other Texans on hand to hear the Governor make the announcement he will be a candidate for the first ever four-year term in the mansion. He will be running next year, and if the response that announcement received last night is any indication at all of how most Texans feel, then he has it made.

But knowing Texas politics, it's almost a sure bet that the battle will be long and hard, with several other aspirants fighting him tooth and toenail.

Banquet tickets on sale

Tickets for the 1973 Annual Hondo Chamber of Commerce banquet scheduled for Monday, December 3, are now on sale by calling 426-2015.

Chamber directors will also have tickets starting the first of next week. Price per ticket this year will be \$4.

Bob Murphey, East Texas attorney and humorist of some renown, will be the principal speaker.

Letters to the editor

Dear Larry,

Attached find impact study on what 100 jobs mean to a community. I promised this to your news people and would appreciate your getting this to your newspaper and radio as a few stories like this could help in your battle with some die-hards.

Jerry Heare is scheduled for your November 6

meeting and I suggest your getting in touch and confirming as well as clearing subject matter.

Thank you for your hospitality while in your fine city. We look forward to working with you in the future.

Sincerely,
Homer Tucker
Industrial Development
Consultant

Gooding is officer

Area officers for the Young Farmers were elected at the annual Young Farmer Convention last September at New Braunfels.

George Gooding, local YF President was elected Area VII Treasurer for the 1973-74 school term.

Area officers will assist in conducting area-wide field days and will direct the 1974 YF Area banquet and convention next September.

Some helpful ways to STAY IN HOT WATER and conserve energy

BATHING. A shower uses considerably less hot water than a tub bath, and you get just as clean. Also, when you're shaving or washing at a basin, don't leave the water running. You're just wasting the hot water that you have to pay for.

DISHWASHING. If you wash dishes by hand, don't leave the water running to wash or rinse each plate separately.

WATER HEATER LOCATION. Install your water heater as close as possible to the place where you will have the greatest use to eliminate long pipe runs. All the hot water left in the pipes when you turn off the faucet is wasted.

FAUCETS. Repair leaky hot water faucets. One drop per second adds up to about 200 gallons per month. That's a lot of hot water down the drain.

TEMPERATURES. Set the water heater thermostat between 150-160 degrees. This will give you the required water temperature for dishwashers and the laundry.

REMEMBER:

Our Energy Supplies of the future depend on their wise use today.

Hondo native helps Air Force in relieving doctor shortage

Everyone knows that the nation and the Armed Forces face a shortage of doctors, and one former Hondo resident is doing

his bit to help relieve that problem in the Air Force. SSgt. James L. Heyen, son of Mrs. Leslie (Lillie) Heven of Hondo, is part of

a program set up by the Air Force to relieve that shortage, a program to train enlisted corpsmen to assist physicians. Assistants school ad Sheppard Air Force Base in Wichita Falls. The school will train the corpsmen in recognizing and treating many routine problems. They will also be able to detect the symptoms of more complicated illnesses which would require the assistance of a physician.

Now stationed at McGuire AFB, Heyen enlisted in the Air Force more than 10 years ago. Prior to working at the McGuire clinic he spent six years in the aeromedical evacuation field.

At the new school, Heyen will undertake nine months of academic studies and 15 months of general practice work under a doctor's supervision. Upon graduation he will be promoted to Master Sergeant.

"I want to expand my knowledge of medicine and to continue in the field after my retirement, Sgt. Heyen in an interview in the McGuire Attitudes, a base newspaper. "I think that it will be a challenge and I'm very happy about the whole idea."

CYO youth rally set

The Catholic Youth Organization of Hondo will host a Youth Rally here Sunday, November 4, in conjunction with National Youth Week, Oct. 28th through Nov. 4th.

Theme this year is "Teenagers and Abortion."

There will be a meeting of the Hondo Deanery Council at 1:15 p.m., which will be followed by a Youth Mass at Saint John's Church to open the Rally.

Registration will be at 2:30, and the fee is fifty cents.

Rev. William Landers of the First Baptist Church of Hondo will show slides during his presentation of the program.

The General Meeting will then be held in the Parish Hall. The Rally will close with recreation and refreshments.

Teenagers from the entire area have been invited, so come and join us, meet some new friends, and have some fun. Show that you care!

More about . . .

Economic Improvement

Gov. Briscoe said.

He emphasized that loss of people from rural areas has created many dilemmas in the cities, and said that high priority must be given rural development and job opportunities, orderly development of natural resources, improvement of services and facilities, better rural labor market service, more emphasis on vocational training, improved health service and adequate housing.

"Agriculture alone cannot solve the problems of rural Texas, but can be a great factor in the solution," Briscoe declared.

Dr. John E. Hutchison, director, Texas Agricultural Extension Service, said that Texas appears to have the necessary resources to achieve the goal of becoming No. 1 in agriculture.

"Among the state's advantages are available land resources plus the technological and knowledge reserve from agricultural research for expanding production of all phases of the livestock industry; food and feed grains for domestic and export; cotton and other natural fibers; fresh and processed vegetables, fruits and nuts;

soybeans and sunflowers; sugarcane; mariculture; and expanding processing industries near production areas.

Texas Commissioner of Agriculture John C. White said, "Texas should become number one in the quality of life, agricultural opportunity and profits, as well as agricultural production." He then recommended a state program similar to the Veteran's Land Board to assure funds for young people getting into full-time agriculture, improved water resources, a do-it-yourself rural development program and recreation development in rural areas.

Texas Congressman W. R. (Bob) Poage said there is "no effective way to deal with national urban concentration problems until we solve rural problems. And it will be far less expensive to develop the rural areas than it will be to cure all the ills of the big urban areas."

Locan and area officials, like County Judge Jerome Decker and State Representative John Poerner, have expressed keen interest in possible programs to help develop this area more fully. They both plan to attend the public meeting Tuesday night.

Dodson receives his wings

FT. RUCKER, ALA. -- Army Second Lieutenant Frank A. Dodson Jr., whose parents live in Devine, completed the officer rotary wing aviator course and received the silver wings of an Army Aviator at the U. S. Army Aviation School, Ft. Rucker, Ala.

He began his 32 weeks of instruction with 16 weeks of preliminary training at the U. S. Army Primary Helicopter School, Ft. Wolters.

Lt. Dodson is a 1972 University at Kingsville, graduate of Texas A&I where he received his M.S. Degree.

Hondo Anvil Herald, Thurs., Nov. 1, 1973, Pg 3

More about....

Driving Course

Smith, Safety Division of the Texas Department of Public Safety, will teach the classes.

The course will consist of eight hours instruction on three consecutive nights. The registration fee will be payable at the first meeting on Monday night.

Those interested in taking the course, may call Gaye Bippert, County Extension Office at 426-2233 or Richard Adams at 426-3165.

F.F.A. NEWS

The Revaldina FFA District Leadership Contest will be held at Hondo High School Nov. 7th at 1 p.m. There will be two divisions of this contest -- the Greenhand level where FFA Quiz, Farm Skill Demonstration, and Chapter conducting events will be judged; and the Chapter Farmer level where Farm Radio Broadcast, Farm Skill Demonstration and Chapter Conducting events will be judged.

Judges for this contest will be teachers of Vocational Agriculture from the Winter Garden FFA District.

There are 12 FFA chapters in the Revaldina FFA District. There should be at least 10 teams competing in the FFA quiz; 6 or more teams in Radio Broadcast, 7 or more teams in chapter Conducting; and 5 or more teams in each level of Farm Skills Demonstration.

First and second placing teams in these six events will qualify for Area VII FFA Leadership Contest at San Marcos at the SWTU campus on November 13th.

Special Award plaques will be awarded the top three teams in each of the six judging events by the CPL Agriculture Representative Arthur Mayberry of Uvalde.

Hondo FFA Chapter will have six teams competing here next week. For the past two years Hondo FFA had won the

Sweepstakes Award Banner. This banner is presented to the FFA Chapter that has the highest scoring teams in the six judging events.

Schott - Bohmfalk vows exchanged

Miss Wanda Marie Schott, daughter of Mr. and Mrs. Calvin Schott of Dunlap became the bride of Ronald Edward Bohmfalk, son of Mr. and Mrs. R. E. Bohmfalk of Hondo recently.

The double-ring ceremony was held at St. Louis Catholic Church, Castroville with Father Larry Steubben officiating.

Matron of Honor was the bride's sister, Mrs. Billy Brieden. Bridesmaids

were Miss Beverly Schott and Mrs. Danny Nelson, also sisters of the bride, and Mrs. David Lutz, sister of the groom; also Miss Shirley Wurzbach and Mrs. Sidney Steubben.

Serving as Best Man was Weldon Honig. Groomsmen were James Wiemers, Beaver Graham, Billy Bryant, David Lutz and Billy Brieden.

Following a brief wedding trip, the couple is at home in Hondo.

Mr. and Mrs. Ronald Edward Bohmfalk

Miss Frazier, Mr. Guarino wed

Miss Janice Altha Frazier and Mr. John Guarino formerly of San Antonio and now serving in the Marines and Quantico, Virginia were united in marriage Wednesday, October 24, 1973, at 2 o'clock in a single ring ceremony by the Justice of the Peace in San Antonio.

The bride is the daughter of Mr. and Mrs. E. C. Frazier, Natalia. The groom's parents are Mr. and Mrs. Guarino of San

Antonio.

The bride chose to wear a street length dress of cream colored print polyester, with a gathered shirt, fitted bodice, round neckline and short sleeves.

The couple left Friday morning to make their home in Quantico.

The bride is a 1971 graduate of Natalia High School.

Services held for Bill Denny

Bill Arthur Denny, 55, of 702 Forest Oaks, Houston, died Saturday morning, October 20, 1973, in the Veterans Hospital in Houston.

Mr. Denny was born September 24, 1918, in Kentucky.

He was the son of the late Mr. Denny and Mrs. Beatrice Cunningham of Houston.

He was married to the former Catherine Dart February 18, 1945 in Seguin.

Survivors are his widow, two sons, Richard and Robert; three daughters, Mrs. Hohnal (Brenda) Whitfield and Mary Denny of Houston, Mrs. Barbara Ann Lee, La Puente, Cal.; his mother; one brother, Charles Denny, Waco; seven grandchildren and

31 nieces and nephews.

Mr. Denny was reared in San Antonio and had made his home in Houston for the past eight years.

He served in the Navy from 1943-45 and was of the Protestant faith.

Until his health failed, he was employed as a refrigeration mechanic.

Funeral services were

held Monday, October 22, in the Niday Funeral Chapel in Houston. Graveside services were conducted at the Evergreen Cemetery Devine with Rev. Franklin Pullin, pastor of the Natalia Baptist Church, officiating.

Mr. Denny was the son-in-law of Mrs. Winnie Tilley of Natalia.

Engagement announced

Miss Karen Burrell

Mr. and Mrs. Walter J. Burrell of D'Annis, announce the engagement and the approaching marriage of their daughter, Karen Ann, to Mr. Jesse Monroe Lindsey III, son of Mr. and Mrs. Jesse Lindsey Jr. of Pearsall.

The wedding is planned for January 5 at Holy Cross Catholic Church in D'Annis.

BLUEBIRD NEWS

The Sweet Tweets met at Mrs. Oliver Martin's house Oct. 23 at 3:45 p.m. Refreshments were served by Cindy Batot. Posters were made for the candy sale.

The following officers were elected: President: Joan Martin; Vice President: Cassandra Meyer; Secretary: Anna Lisa Tatia; Treasurer: Monette Mumme; Reporter: Kimberly Winkler; Song Leaders: Lisa Schueling and Tara Shuler; Candle Lighter: Kim Gardner; Candle Blower: Cindy Batot; Whisk-aways: Brenda Schlenz and Pearl Sanchez.

—Kim Winkler, reporter

Loving Bluebirds

October 24: The Loving Bluebirds met on Wednesday at St. Paul Lutheran Church. The meeting was called to order and the candle lit. Those present

were President Deena Schur, Vice President Lisa Schoellman, Secretary Norma Carbajal, Treasurer Sherry Marty, Candle-lighter Gina Haass, Song Leader Esther de Leon, Whisk-away Inez Ontiveras, Assistant Whisk-away Yvonne Dittmar and Chaplain Diana Lindeburg. Refreshments were served and posters were made for the Campfire Girls candy sale which will be held October 29 til November 10.

Here in Hondo

Mrs. Kate Morris returned home after a two weeks visit with relatives and friends in Palestine, Athens, Eureka and Dawson. Her son, Richard, who lives in California is expected home for the Hondo High Ex-Students Homecoming this year.

Sherry Lynn Elliott weds Ralph Stricker

Miss Sherry Lynn Elliott became the bride of Mr. Ralph Edward Stricker on Friday evening, October 19, 1973, in a single ring ceremony at the Natalia Church of Christ with Brother J. R. Newman officiating.

Mrs. Richard Tudyk played the traditional music. The bride is the daughter of Mr. and Mrs. Tom Elliott of Natalia and the groom is the son of Mr. and Mrs. Lee R. Stricker, also of Natalia.

The bride, given in marriage by her father, wore a gown of peau de soie featuring a fitted bodice of lace with a sweetheart neckline and long fitted sleeves. Her chapel train, attached at the shoulders, was trimmed with lace. She wore a shoulder length veil of illusion which cascaded from a crown of seed pearls.

She carried a hand-made bouquet of white bells of Ireland made by Mrs. J. C. Linehan.

Miss Cheryl Tudyk was bridesmaid. She wore a floor-length hotpink taffeta princess-type dress with a high neckline and short sleeves and wore a matching headpiece of flowers and nylon net. She carried a red, long-stemmed rose.

Little Miss Kimberly

Haass was flower girl and was dressed identical to the bridesmaid.

Dayton Armke served as best man.

Ushers were Terry and Gerry Elliott, brothers of the bride.

A reception was held immediately following the ceremony in the basement of the church. Mrs. Frances Haass presided at the bride's book.

The bride's table was covered with a hotpink table cloth overlaid with a white nylon net cloth. In the center of the table was a heart-shaped centerpiece of white satin roses centered with hotpink rosebuds. The centerpiece was flanked by two gold candle holders.

The bride's cake was decorated with hotpink roses and green leaves. It was served by Mrs. W.C. Richardson and punch was served by Miss Cheryl Richardson.

Miss Brenda Linehan served the german chocolate groom's cake.

The couple is at home in Natalia.

Out of town guests were the groom's grandmother, Mrs. Ruth Fudge, his aunts and uncle, Mr. and Mrs. Fred Stricker and Mrs. R. L. Montgomery, and sons, Charles, Monty, Larry and Gregg from Pearsall and Mrs. Richard Jordan, San Antonio.

Engagement announced

Miss Sharon Ann Mitchell

Miss Sharon Ann Mitchell, daughter of Mr. and Mrs. Seth Mitchell of 111 Harvey in Baytown, will wed Carl Wilson Mullis III, son of Mr. and Mrs. Carl W. Mullis Jr. of Florence, South Carolina.

A December 28 wedding is planned at St. Joseph's Catholic Church, Baytown. The bride-elect is the granddaughter of Mr. and Mrs. Alf Rohrbach of Hondo. She is a graduate of the University of Texas. The groom-elect is a Yale University graduate. Both attend graduate school at Emory University.

CAMP FIRE NEWS

On October 9, 1973, the Pi Di Ki Ya Camp Fire Group chose officers. The are as follows: President: Kay Wentz, Vice President: Pauline Aelvoet, Secretary: Susan Gooch, Treasurer: Debbie Saathoff, and Scribe: Sharon Schueling.

We discussed making a Halloween costume for Oct. 30. We are planning on wearing them while selling Campfire Candy.

Each girl is to make a report on an Indian tribe and learn a song.

Our third meeting was held October 23, 1973.

We made posters advertising the sale of our Camp Fire Candy. Later we discussed riding our bicycles to the Hondo City Park on Saturday, Oct. 27, 1973.

Susan Gooch served refreshments and then we closed our meeting.

October 27 Saturday, October 27, the first year Camp Fire Group invited the third year Camp Fire Girls to a bicycle hike. We rode our bicycles out to Mumme's ranch.

We played for a while, then we ate. Then it started to rain. We rode our bikes to protection. We made it home safely. —Sharon Schueling, scribe

This week

All she wrote

by Edna McDade

Astronomers, as well as less professional sky-gazers, are looking forward to the appearance of the Comet Kohoutek which will be visible to the naked eye from late November to mid-February. It is expected to far outshine the famous Haley's Comet which put on its last show in 1910.

Many of us remember Haley's Comet -- but it took a consultation with the encyclopedia to freshen my memory. If you are interested, the information is all there.

Since many of us might not be around when the Kohoutek makes its next scheduled appearance [some 50,000 years hence], we'd better take a good look this time around!

DONNA WIEMERS, Hondo FFA Sweetheart . . . and the honor couldn't have "happened" to a more charming girl. When she grew all the way up to becoming a Hondo High senior, I'll never know. For nine years she was one of my 'round-the-corner "little" neighbors, so I feel justified in sharing the family pride.

Wild javelinas, two of them, made the local headlines this week. One day they appeared in Flour Bluff and the next morning they had made their way to the Naval Air Station where sailors gave chase.

One of the hogs met an inglorious end as the result of injuries sustained when he fought to free himself of ropes that bound him. The other, at last report, was being held in a dog pen at the Base security headquarters, awaiting reclamation by a TP&WD game warden.

Even javelinas get wanderlust or maybe they were just trying to join the Navy and see the world.

KAREN REINARTZ . . . "among cartoonists of note. . . ." How many weekly newspapers can claim to have a cartoonist on their staff?

I'll be watching Karen's promising career with "I-told-you-so" interest.

Time again to "meat" Hondo's annual Wild Game Dinner which has grown in popularity each year. I read BKL's appeal in last week's ANVIL HERALD for the assorted critters that make up the meal's miscellaneous main dishes -- some of which I never had the courage to try.

Just one unsolicited request: please don't have a rattlesnake chili cook-off!

As I skimmed a page [to be read later] in this paper [10/18] my eye caught the words EMPTY STOCKING FUND and I thought: "It's later in the year than I thought" as I rechecked the calendar.

But the benefit was just among the many being listed for which IOTA UPSILON of ESA goes all out for their many philanthropic projects.

Every good wish to MARCY GARRISON, recently inducted into SWTSU's chapter of Sigma Tau Delta and now well on her way to becoming a teacher of English. Learn 'em how it ought to be wrote, Marcy, but don't quote me!

And, blessings on JUDY WINKLER who is doing her bit to encourage the enlistment of Volunteer Workers to visit and help attend the long-hours-in-between for the residents at BROWN'S NURSING CENTER.

On my last visit, I had a pleasant chat with Mrs. JOHN NEUMAN whom I had not seen since I interviewed her for a story in her home off the Yancey Road several years ago. Since then, a fire destroyed the home which held many memories and keepsakes.

I sat in the old rocking chair which has been her mother's and which was still her own favorite chair. We talked of many things, including the roadrunners which seemed to be everywhere that day.

And, Mrs. N's lovely silver hair is still lovely.

Right at this minute, I am not hungry but I have been rereading bits of philosophy credited to Diogenes Laertius [circa A.D. 200] and this I like: A man once asked him what was the proper time for supper and he made answer: "If you are a rich man, whenever you please; and, if you are a poor man, whenever you can."

Here in Hondo

Mrs. J. F. Wurzbach recently returned from a month's visit with her son and daughter-in-law, Mr. and Mrs. J. Jerome Wurzbach, and granddaughters, Suellen and Kirsten of Glen Ellyn, Illinois.

During her visit she enjoyed touring Chicago with its many unusual buildings and the lovely shoreline of Lake Michigan.

Mr. and Mrs. Elbert Allen of Houston spent last weekend with his parents, Mr. and Mrs. J. D. Allen, and other relatives.

OBSERVE 60TH ANNIVERSARY

October 23 marked the completion of 60 years of married life for Robert L. and Nellie Brucks Mumme who were united in marriage in the New Fountain Methodist Church in 1913 by the Rev. J. F. Koch. On October 21, at the close of the morning worship service at the Hondo First

United Methodist Church, the pastor and congregation gave recognition to Mr. and Mrs. Mumme for this special achievement. Following the church service, members of the family gathered at the Mumme home to celebrate the occasion with dinner and an afternoon of visiting and reminiscing.

93rd BIRTHDAY PARTY ... was held Thursday afternoon at Brown's Nursing Home for Mrs. Minnie Schlentz Poehler. That huge cake was just barely enough to serve all the friends and relatives from the home and elsewhere who showed up to help celebrate. Mrs. Poehler, whose mind is still sharp at 93 (though a recent stroke confined her to a wheelchair), was congratulated by son, Milton Poehler and Mrs. Poehler of Hondo, and daughter, Mrs. V. R. Patterson of San Antonio. Also present were her youngest and oldest granddaughters, Mary Catherine Poehler and Linda Patterson; sisters-in-law, Minnie [Mrs. Arthur Schlentz] and Barbie [Mrs. Alfred] Schlentz, friends and relatives.

Browns Nursing Home News

Mrs. R. C. Blackburn of Uvalde visited her sister-in-law, Mrs. Emma Love, on Tuesday.

Mrs. C. L. Wernett visited Mrs. Mary Owne Sunday.

Mr. and Mrs. Milton Bendele visited their mother, Mrs. Regina Burrell, on Wednesday, also calling on Mrs. Burrell this week were Red Burrell, Irene Bendele, Mr. and Mrs. Ernst Braun and Reily Weik.

Last week we failed to mention Mrs. Pauline Hart's birthday party on Oct. 16th. Many friends and relatives stopped in to wish her Happy Birthday.

Monday, Oct. 22nd, the G. A. Girls of the First Baptist Church came to sing for the residents. The G. A. Girls were under the

direction of Mrs. Judy Winkler.

Mrs. Any Frazier and Mrs. Laura Bendele held their regular monthly birthday party. Everyone sang Happy Birthday and cake and punch were served to all of the residents and staff on Wednesday afternoon.

On Thursday Mrs. Minnie Poehler's family entertained their mother with a birthday party on her 93rd birthday. Cake, punch and ice cream were served to all.

Rev. Pepper and the Yancey Baptist Church members held services for the residents on Sunday, Oct. 28th.

Monday, Oct. 29, Mrs. Judy Winkler had Crafts and taught the residents to make baskets.

Services held for Mrs. Young

Funeral services for Mrs. Florence Young, 93, were held Monday morning at Hurley Funeral Chapel, Devine.

Burial was in Southside Mission Burial Park.

She had lived in Devine ten years, and died Friday, October 26, 1973, in a Devine nursing home.

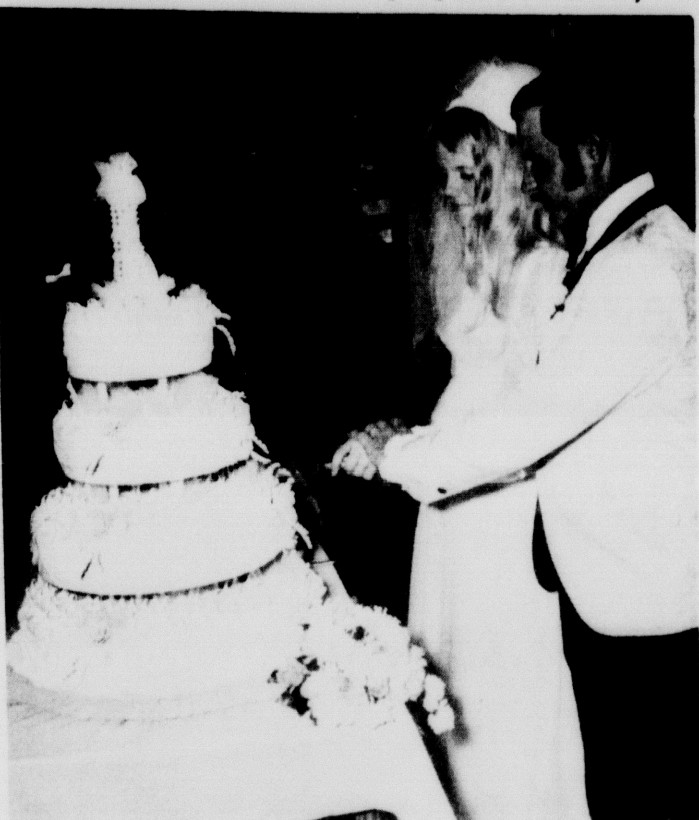

She is survived by a daughter, Mrs. George Pletz of Devine; three sons, eleven grandchildren, and twenty-six great grandchildren.

I'm Here

Mr. and Mrs. Walt Rothe of Hondo are the parents of a son, Ryan Jeffery, who was born Saturday, October 27, 1973, at Methodist Hospital, San Antonio.

He is welcomed by his grandparents, Mr. and Mrs. Tex Aulds of Austin, and Mr. and Mrs. Bonnard Rothe of D'Hanis.

Great grandparents are Mrs. W. O. Rothe of Hondo, Mrs. Frank Paschal of San Antonio, Mrs. Janice Myers, Pampa, and Mr. and Mrs. Stevens of Austin.

Mr. and Mrs. Glenn R. Bohlen

New Quihi pastor installed

Rev. David J. Schroeder was installed as pastor of the Bethlehem Lutheran Church in Quihi on Sunday, Oct. 28, at the regular morning service.

Rev. Schroeder graduated from Sam Rayburn High School in Pasadena, Texas and attended the Methodist University in Anchorage, Alaska.

He received his divinity degree from Capital Theological Seminary, Columbus, Ohio. Before coming to Quihi, he served 3 months as chaplain at Andrews Air Force Base.

Officiating at the installation service was Rev. Merrill Carlson, who has been acting as interim pastor since June. Chaplain Victor Schroeder assisted in the installation of his son.

Guests for the occasion were: Chaplain and Mrs. Victor Schroeder, parents of the pastor designate; Chaplain and Mrs. Charles Reider of Lackland Air Force Base, San Antonio; Col. and Mrs. William Brunette and daughter, Vivian, of San Antonio Station; Col. Brunette's mother from Lampasas; Mr. and Mrs. Leroy Haverlah of Stockdale, Texas; Rev. and Mrs. Hanneman and children of Hondo; and Rev. and Mrs. Roy Tamaeus of Castroville.

Following the installation, the congregation

honored Rev. Schroeder at a covered dish lunch. An added highlight was an old-fashioned pounding which resulted in a full pantry for the new pastor.

DAY TO DAY CARE OF YOUR HAIR

For those very special occasions when your hair must be absolutely perfect, you will naturally rely on your favorite hairdresser. But, day to day care of your hair is also very important to your personal appearance. Today, many women are regularly using hair grooming products at home.

It was for this reason that the "Beauty Boutique" in Peden's Pharmacy has created a special section exclusively for every type of hair care products. Our three regular beauty consultants have made a special study on these products so that they will be able to advise you and answer your questions. In the hair care section you will find rinses, shampoos, dandruff prevention and control aids, coloring products and home permanents as well as combs, curlers, brushes and many other helps.

For, at Peden's "Beauty Boutique" we cater to the beauty conscious woman who wishes to always be at her very best - using carefully chosen perfumes, make-up, treatment, hair care and other cosmetic products.

Aelvoet wins corn yield contest

Favorable weather this past week has enabled most Medina County Corn Farmers to finish harvesting the 1973 Corn Crop. Many producers were able to begin preparing land which had been delayed for more than a month.

Excellent yields were obtained from the White Corn variety test plot harvested on the Julius Aelvoet farm.

Rene Aelvoet was the person making the closest estimate of the highest yielding Corn variety in the plot during the July Medina County Crops Tour. He estimated that the highest yield variety would be Asgrow 405 with a yield of 137.4 bushels per acre. The actual yield was 137.1 bushels per acre. Keller and Keller Company of Castroville furnished a \$25.00 Gift Certificate to Aelvoet for making the closest estimate.

Results of the Corn

variety test are as follows:
Asgrow variety 405 had a moisture content of 14.45, bu. wt. - 60, plant pop. 22,800, yield bu/acre - 137.1.

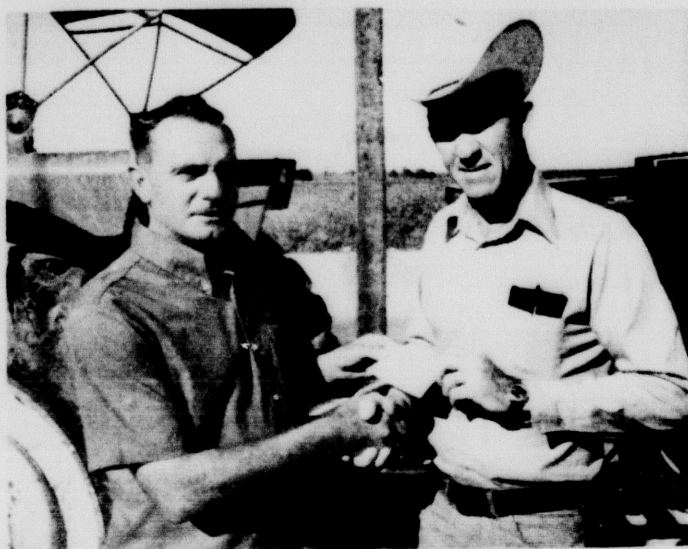

Asgrow variety 403 had a moisture content of 15.10, bu. wt. - 59, plant pop. 19,800, yield bu/acre - 129.9.

*Pioneer variety 515 had a moisture content of

13.87, bu. wt. - 60, plant pop. 18,400, yield bu/acre 123.9.

*Asgrow variety 125 had a moisture content of 13.76, bu. wt. - 59, plant pop. 21,600, yield bu/acre 122.9.

*DeKalb XL 390 had a moisture content of 14.95, bu. wt. 59, plant pop. 21,800, yield bu/acre - 110.0.

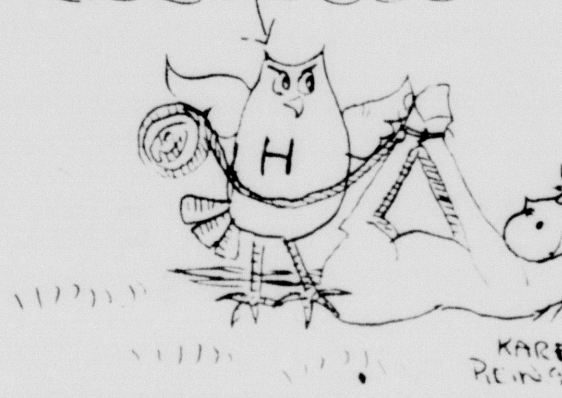

Rene Aelvoet (left) receives \$25 gift certificate from County Agent Glenn Bragg.

Here in Hondo

Mrs. Ruth Smith recently visited with her sister, Miss Essie Edwards in Dallas. While there she attended the State Fair and also visited with relatives in Dawson, Corsicana, Purdon and Coolidge.

Who is number 1?

Delgado is member of Big Ferro

U. S. FORCES, GER. -- Army Private First Class Robert D. Delgado, 20, son of Mrs. Frances Gonzales, 619 Amador Ave., Ontario, Calif., was a member of a task force from the 3rd Infantry Division that participated in Big Ferro, a Dutch sponsored, multi-nation field training exercise in northern Germany.

The task force, which was made up of elements of the Divisions, 64th Armor and 4th Infantry, joined elements of the Dutch, German and Belgian armies in the 12-day event.

The maneuver offered valuable training for the

Scouting News

Scout Troop 219

Scout Troop 219 participated in the annual Scout Fair at McGimsey Scout Park in San Antonio.

The fair was highlighted by many awards to individuals and troops. Governor Briscoe presented many of these awards and spoke to the over 3,000 scouts and adults as did Mrs. Briscoe in the opening ceremonies.

The Owl patrol of 219 had a display on lashing. They showed visitors how it was done and the many uses of lashing as a finished product.

The Eagle patrol displayed outdoor cooking and provided an evening meal for the troop and sponsoring adults. The meal consisted of sausage, red beans, tossed salad, biscuits, fried pies and beverage.

Junior Scout Master, Craig Heath, displayed tanned hides of animals and gave method demonstrations for visitors on tanning.

Scouts in the Owl and Eagle patrol made patrol flags for display and the troop set up an outdoor campsite for visitors.

Scouts participating were: Hene and Jene Sanchez, Brian Bader, Brian Boon, Paul Richards, Craig Heath, Brian Van De Walle, David Weyand, Chris and Douglas Cole, Joel Hanne-man under the direction of Jack Heath, Scout Master.

Chris Cole, scribe

Jr. Garden Club

The Hondo Junior Garden Club will meet Wednesday, Nov. 7, at 5:30 p.m. at the City Municipal Auditorium. Mr. Bradley Bailey of the Edwards Underground Water District will be spokesman for the evening. The Edwards Underground film will be shown also. The program is open to the public for both youth and adults.

The Junior Garden Club reclamation will be manned by the Martin family this Saturday, Nov. 3, from 9 a.m. to 12 noon at Ave. K and 18th St. All newspaper, magazines and corrugated paper must be tied in bundles. IBM cards must be boxed or tied.

--Douglas Cole, reporter

NATO Units in carrying out joint operations.

Pvt. Delgado is a Redeye team chief in Combat Support Company, 4th Battalion, 64th Armor in Aschaffenburg.

His father, Gilbert Delgado, lives in Devine.

Schneider in Germany

GRAFENWHOR, GER. -- Army Private First Class Darryl A. Schneider, 20, son of Mr. and Mrs. Alfred Schneider, Star Route, Castroville, completed a 30-day field training exercise with battery A, 1st Battalion of the 32d Field Artillery at the Seventh Army Major Training area in Grafenwhor, Germany.

The training tested his unit's efficiency in firing, communications, fire control, survey, and area security.

EATING BETWEEN MEALS CAN HELP PREVENT OBESITY

What a headline! Some of you will probably doubt this statement. But experiments have shown that more weight was gained in eating a given amount of food in 3 meals a day than if this same amount of food was nibbled at, all day long. Thus it was concluded that people should eat more meals at shorter intervals. This doesn't mean you can eat cake and ice cream all day. A sensible choice of foods is still needed.

Providing information on what you can do to stay healthy is of prime importance to us. Dispensing medication is our vocation, public service runs more than a close second.

A GREAT MANY PEOPLE EN- TRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy? We welcome requests for delivery service and charge accounts." 9-4-72

Pasture conference set at Uvalde

Wondering how to get more from your pastures and hay? Trying to make a decision concerning which forage grass you should plant? Want to increase the carrying capacity of your pastures? How much fertilizer to use on pastures?

Potential solutions to these and other questions will be presented at an upcoming symposium in Uvalde, says Medina County Extension Agent, Glenn Bragg.

The Southwest Texas Forage Symposium will be held on Wednesday, November 7, at 9 a.m. at the Texas A&M University Research and Extension Center at Uvalde. Bragg says the program should be concluded at 3:45 p.m.

It is universally understood that forages are the most economical means of supplying feed nutrients to livestock. This symposium is concerned primarily with efficient production of forages and their utilization in cow-calf enterprises or stocker operations.

Among the guest speakers will be Kenneth Graeber discussing the feasibility of increasing profits from forages; Dr. Richard Hoverson explaining different forage systems for Southwest Texas; Albert Novosad leading a discussion on forage quality and how it can be improved; and Dr. Carl Gray explaining proper usage of fertilizers on grasses.

The program also fea-

tures Dr. E. C. Bashaw discussing new and future grasses; Dr. Neal Pratt explaining winter pastures; Dr. LeRoy Hoermann discussing management of cattle on pastures; and Dr. Stewart Fowler outlining forage research for Southwest Texas.

Bragg urges everyone interested in pastures to attend the Forage Symposium and while there observe the grass nursery at the Research and Extension Center. This collection of approximately fifty improved grasses includes Kleingrass, blue-stems, lovegrass, blue panic, Bell Rhodesgrass, buffelgrasses, and other new and promising grasses.

D'Hanis opens district play against Medina

The D'Hanis Cowboys will open district competition in 14-B Saturday night as they entertain the Medina Bobcats at Cowboy Stadium. D'Hanis Game time is 8 p.m. The Cowboys have established an impressive pre-season record of 6-1, losing only to Comfort while defeating Sabinal, Lytle, Bandera, Brackettville, St. Anthony's, and Natalia.

Medina-D'Hanis represents the opening game in the 3-member district's championship series. Rocksprings, which in the past two weeks has shut out Charlotte 20-0 and Fredericksburg St. Mary's 30-0 to put their record at 7-1, will take on Brackettville in a final non-district game.

The only loss in the Angora skein came at the hands of Sabinal, 7-6. Medina played Comfort to 26-20, a performance which outshone the Cowboy effort at Comfort the following weekend. They also downed Fredericksburg St. Mary's by 30-0.

Next week Rocksprings will meet Medina, then on November 16, D'Hanis will be at Rocksprings to wrap up the season.

This week's rating of Texas schoolboy football teams by the Associated Press lists D'Hanis in seventh place among Class B teams.

D'Hanis is the only team to be rated in the poll, which covers schools of all classes in the state of Texas.

until Monday, Nov. 12, 1973

ANN E. DAVIS

Attorney at Law Hondo, Texas

New grid schedule told

A tentative football schedule for 1974 and 1975 has been released by Hondo School Superintendent Kenneth Flory.

Its lineup of gridiron opponents reflects Hondo's coming transfer to District 27-AA.

The schedule is as follows:

September 6, at Fredericksburg; September 13, Uvalde; September 20, Devine; September 27, St. Gerard's; October 4, at Pearsall; October 11, open; October 18 (and the first district game) at Boerne; October 25, Randolph; November 1, Bandera; November 8, at Cole; November 15, Medina Valley.

So, while Devine and Pearsall will not be district games, they remain on the Owls' schedule as top-flight sectional games. The old rivalries will continue to smolder, though with only pride at stake.

B-Team and Freshmen games will also reflect the new lineup of schools. Their schedule is as follows: September 5, Fredericksburg; September 12, at Uvalde; September 19, open; September 26, at Devine; October 3, Pearsall; October 10, at Cole; October 17, Boerne; October 24, at Randolph; October 31, open; November 7, Cole; November 14, at Medina Valley.

The Medina County family Living Committee of the Texas Agricultural Extension Service is presenting a free Home Repair and Maintenance Shortcourse on Thursday, November 8, 1973, at the First United Methodist Church Educational Building in Hondo.

Simple home repairs that the homemaker can accomplish will be demonstrated and explained during the two sessions. The morning session will begin at 9:30 and will include Fastening Things to Walls, Repairing Wall, and Painting. Bob Suggs, area representative for Butte Paints, Alamo Lumber Company will present the session on Painting.

The afternoon session will begin at 1:00 and will feature Simple Plumbing Repairs, Replacing Glass in Windows, and Patching and Replacing Window Screens. There will be free baby-sitting provided by the Hondo Home Demonstration Club for the pre-schoolers.

Plan to attend this free Fall Fix-Up program. For pre-registration, call Gaye Bippert, Medina County Extension Agent, 426-2233.

Harmon: Penn State to breeze by Maryland

This might be the week that Penn State finally runs into a little trouble. The 5th-ranked Nittany Lions have been breezing through their 1973 schedule hardly stopping - or needing - to breathe. However, the vastly improved Maryland Terps have been just on the fringes of our top twenty all fall, and they should give State a busy afternoon. Upset is possible, not too probable; Penn State will win by 13 points.

And Ohio State and Michigan will continue to blow their opposition off the field. The Buckeyes pounded Indiana a couple of weeks ago... this week, it's Michigan's turn to do the same. The Hoosiers will be buried by 32 points by the Wolverines. Ohio State will top Illinois by 25. Ohio State is rated second, Michigan, fourth.

It's about time we turned to a run-down of our winning and losing average for the first seven weeks of the season. It seems to become more of a task each year bringing all the scores up to date. Our over-all average has crept just over the 75 percent mark. Of 1308 games, we have picked 986 correctly for a .753 average. With the major colleges, our percentage is almost 75 percent on the nose, but it's in the small college division in the East where we're doing our best picking... just under 79 percent.

Notre Dame and Southern California both get some relief after their nationally spotlighted meeting last Saturday. The Irish, rated 7th, will beat Navy by 23 points, and the 9th-ranked Trojans will go back to Pacific 8 Conference warfare, tangling with the Bears of California. Southern Cal is favored by 25 points. Also on the West Coast, Washington gets a dubious crack at U.C.L.A. The Bruins, #6, will be much too strong... U.C.L.A. by about 46 points.

Houston ran into a Tiger and was upset by Auburn last week. The Cougars are in the number 18 spot in our ratings. Another independent, Florida State, is the opposition, and Houston should go back to winning. The Seminoles are 24-point underdogs.

And once again the Big 8 Conference is the battle-ground for no less than four major contests. Number One ranked Oklahoma meets Iowa State... 10th-rated Missouri plays Kansas State... #16, battles Kansas, #19... and nos. 11 and 14, Nebraska and Colorado tangle. The winners: Oklahoma by 32... Missouri by 17... Oklahoma State by seven... and Nebraska by seven. That should at least straighten out a few of the conference problems for the moment!

Notre Dame and Southern California both get some relief after their nationally spotlighted meeting last Saturday. The Irish, rated 7th, will beat Navy by 23 points, and the 9th-ranked Trojans will go back to Pacific 8 Conference warfare, tangling with the Bears of California. Southern Cal is favored by 25 points. Also on the West Coast, Washington gets a dubious crack at U.C.L.A. The Bruins, #6, will be much too strong... U.C.L.A. by about 46 points.

Devine falls to Owls 20-7 — Carrizo next

The Hondo Owls took sole possession of the lead of District 28-AA Friday night in their upset victory over Devine, 20-7.

The Warhorses, notorious for their defense against the run, proved to be vulnerable against the Hondo passing attack. Quarterback Brian Finger hit tall tight end Doug Helvey twice for 19- and 28-yard scoring passes; Ray Garcia snagged a third Finger touchdown aerial for 27 yards and another score.

Devine had tied the score in the third quarter as quarterback Hal Thompson went in on a one-yard keeper that capped a 35-yard scoring drive; but three minutes later the Owls were in the lead once again.

Hondo opened the scoring late in the first quarter as they drove 73 yards to score. Key plays in that drive were a 15-yard draw play to Tony Hackebell and three pass receptions by Helvey. The third, from 19 yards out, put Hondo ahead with 3:51 remaining in the quarter. Finger kicked the extra-point successfully to take a 7-0 lead.

The half ended with no further scoring as both sides missed their chance to capitalize on the other team's errors. An interception by David Ehlinger at Devine's 44-yard line led nowhere as the Warhorses were forced to punt four plays later and, a fumbled Hondo punt recovered by Doug Helvey and Devine's

30-yard line led only to Hondo losing possession on downs four plays later. All of the third quarter was played in Hondo's territory as the Warhorses enjoyed excellent field position. They made good use of it as they forced a Hondo punt from the Owl 6-yard line. Ray Garcia punted it 29 yards to the 35, where Devine took over.

In eleven plays, aided by Hondo penalty and good runs by Homer Hernandez, Devine's Hal Thompson broke over from the half-yard line. One key play saw Paul Smith gain a first down on a fourth and two situation at Hondo's 3-yard line.

Rocky White's extra point kick was good, and the score was tied with 2:56 left in the third period.

As Devine took possession following a Hondo punt, Ted Mendoza of the Owls covered a fumble to put Hondo in business at the Devine 45.

In four plays, Hondo had retaken the lead as Finger ran for 14 yards and hit Helvey for 28 more and the score. A crucial PAT kick was no good, and Hondo led 13-7 with three seconds left in the period.

Devine was forced to punt again, and the Owls took possession at their 41.

Relying heavily on brutal running by Tony Hackebell and Gene McAnelly, Hondo drove to the Warhorse 27. From there, Finger found Ray Garcia behind a defender in the end zone, and Hondo put the game on ice, 20-7 with a good PAT kick.

Before the game ended, the Warhorses had reached the Hondo 27-yard line, but lost the ball on downs.

Friday night Hondo entertains the Carrizo Springs Wildcats at Barry Field in their Homecoming game. Devine will be idle.

Statistics for Friday night's game are as follow (Hondo first):

First Downs, 13-8; Yards Rushing 130-45; Passing, 7-16-1 for 94 yards, 5-12-0 for 64 yards; Total offense 224-109; Penalties 6 for 45 yards, 2 for 10 yards; Punting (ave.) 4 for 34.5, 5 for 33.3 Fumbles lost 1-2.

SPORT FACTS

By Ralph

The Hondo Owls gained plenty of practice crossing the goal line in 1971 when they went to the semi-finals against Rosebud-Lott. They scored 354 points while allowing their 14 opponents only 128 points.

O. J. Simpson of the Buffalo Bills set a NFL record Monday night when he carried the ball 39 times in one game. The old record of 38 was set years ago by a New York Giant back. Simpson also set a record by being the first NFL player ever to reach a 1,000 yards rushing in the first seven games of the season.

Presented by E. R. LEINWEBER CO. 1710 Ave. M 426-2448 Hondo, Texas.

See us first for exceptional values for the entire family.

How they fared

The three district tilts in 28-AA Friday night produced predictable results with one exception.

The Hondo Owls upset the undefeated Devine Warhorses at Devine, winning 20-7. The Owls are now the only 28-AA team undefeated in district competition, 3-0. Devine is now 3-1.

Medina Valley did all its scoring in the second half in posting a win over Carrizo Springs, 14-8. Carrizo also was unable to score until little more than a minute remained in the game. That game put

Medina Valley at 1-2 in district play; Carrizo stands 1-3.

Dilley, 2-1 in district play, was idle Friday night.

Pearsall had little trouble in dispatching Cotulla, 20-2. A halftime 2-0 deficit was erased in the third quarter with a Gene Reed-David Studdard TD pass. Pat McGeehee scored two more touchdowns for the Mavs. Cotulla got on the boards with a second period safety. Pearsall is now even with Devine at 3-1; Cotulla is winless for the year and 0-4 in loop play.

Tomorrow, Devine gets a night off to regroup against Carrizo next week. Hondo will entertain Carrizo for Homecoming; Dilley takes on Cotulla, and Pearsall will entertain Medina Valley.

YOU GOTTA STRETCH

... sometimes, and Doug Helvey outstretched his opponents for five completions, two for touchdowns.

Factors in winter deer feeding

When winter winds blow fiercely, and range conditions are bleak, landowners start thinking of supplemental feeding of deer, according to Texas Parks and Wildlife Department officials.

But supplemental feeding may or may not be the right thing to do, depending on the population density of the deer herd.

If a deer herd is near or exceeds the normal carrying capacity of the land, then thinning, rather than feeding, is the proper management practice when the herd is threatened with starvation. Thinning should be done as early in the deer season as possible.

However, when the deer herd is low, and it is threatened by starvation, supplemental feeding may mean the difference between a broodstock of deer and not having but a few deer the next year.

Once the landowner

decides conditions are right for supplemental feeding, the next question is, "What does he feed his deer?"

Unfortunately, say wildlife experts, many landowners believe that scattering corn will do the job. Feeding deer corn is a waste of money, unless the deer is being lured to a blind. Then, long range considerations are of no concern.

Deer need a fairly high percentage of protein in the food they eat, and corn has only seven percent protein.

Range pellets containing about 20 percent protein would be better for the deer and less expensive for the landowner.

However, wildlife experts say no serious problem with starving deer is going to be solved by feeding from a sack.

Probably the best and cheapest way of feeding deer is the planting of oat patches, they say.

This can be done for as little as \$25 per acre, including seeds, tilling and fertilizer, and will help from four to six deer per acre.

Wildlife experts caution, however, that unless the oats are adequately fertilized, deer may ignore them.

B-Team loses close one; Frosh win

Things were one minute away from being perfect for the Hondo Junior Varsity and Freshmen teams in Thursday's games against Devine. But a last minute Warhorse effort spelled doom for the Owl B's, and the Hondo teams split with their opponents. The Freshmen won their second in a row 28-13, the B-Team losing 17-15.

FROSH

The Owl Freshmen piled up over two hundred yards rushing in the first half, then held onto their 28-0 halftime lead before De-

vine scored twice in the second half.

The Hondo team couldn't score in the final half as the Devine defense came alive, but their earlier scoring carried the day, and it was 28-13 Hondo.

B-TEAM

It was a see-saw battle for the B-Team game at Devine. Trailing by a point late in the fourth quarter, the Owl JV's took a 15-10 lead over their Devine counterparts. But with only 58 seconds remaining in the game Devine scored on a 30-yard pass play to pull the game out of the fire, 17-15.

It was a close game all the way -- halftime score was a 3-3 tie.

Hondo is now at 4-2, while the Devine B-Team is undefeated, with a single tie on their record at the hands of Pearsall.

New fish records set

The Texas Coast yielded two more Texas record fish recently -- a 36-pound blacktip shark and a 41½-pound barracuda.

The shark was caught off Port Isabel by 15-year-old Robert A. Cline of Harlingen fishing from a charter boat. The fish was 6 feet, 8 1/4 inches long and had a 35 3/4-inch girth. Cline has the first blacktip ever recorded in Texas.

The new barracuda record is now held by Mrs. Hunter Barrett of Fort Worth. Mrs. Barrett caught it while fishing 42 miles east southeast of Port Aransas.

The barracuda was five feet, two inches long and had a 21½-inch girth.

The old barracuda record was held by Tom Stahl who caught his 36-pound fish near Port O'Connor.

Carrizo is another big team

Carrizo Springs represents another of those teams who outweigh the Owls; they are heavier than Devine, and come close to matching the brawn of the Pearsall team.

And, like Devine, theirs is not the ponderous, stand-in-the-way size; Carrizo's men can move. One of the best is also the heaviest, -- he's Mark Ayers, a 240-pound tackle.

Leading the Wildcat attack is Kerry Herzog, 140, a quarterback who has a knack for mixing up his battle plans. In Carrizo's win over Cotulla, he threw often and well; in other games, he has relied on his running attack.

The Carrizo offense is an opportunistic one. Using mostly a strong set, they seem to go with whatever play is working best. If it works, do it again -- that's good logic, and often it's been good football for the Wildcats.

Running backs include 150-pound halfback Elifonso Esquivel and Robert Martinez, 165, at the right halfback spot. Roy Smith, 170, is a standout at wingback.

Anchoring the Wildcat line on offense is center Willie Santoya, 180; guards include Bobby Keswick, 165, and Elias Esquivel, 190; tackles are Mark Ayers and Hector Saenz, 180. At split end is Billy John, who at 175 pounds is a strong runner and Herzog's favorite target.

On defense, George Perez, 180, is noseguard of a favored 5-2 set. At tackle are Mark Ayers and Elias Esquivel; defensive ends are Kip Box, 170 and Bobby Keswick.

Linebackers include Wylie Perkins and Donald Rutledge, both 170.

The Wildcats mix their defensive look as they do their offense. They're a hard team to scout, and they are too often underrated as to ability to win. They can play with the best, and they will be fighting Friday night. The Owls won't be taking them lightly.

What about the Owls' showing against Devine last week, Coach Bohls was asked.

"We definitely had our best team effort of the entire year. The boys played well together, and really performed as a unit against Devine."

"Many boys had their best game of the season so far. But we had a lot of bumps and bruises, too -- that's the price you pay in a game as physical as the Devine game always is."

Any injuries? "No, none that will keep anyone out of the game Friday. Just a lot of bruises to be healed."

Kerrville pro wins tourney

John MaHaffey of Kerrville won his first pro golf tournament this week when he took the \$27,000 first prize money in the Sahara Invitational.

MaHaffey has played the Hondo Golf Course many times and presently holds the course record of 63. He played the course many times while he was a student at the University of Houston where he was named a national collegiate champion.

MaHaffey also came to Hondo several times just prior to going on the professional tour.

Some Children are denied rights

"Many retarded children in our state are being denied the right to become a part of normal community living where they can develop their ability and potential to the fullest possible extent."

This is due to the shortage of foster homes according to Mrs. Patricia Lawrence, Regional Adoption and Foster Home Finding Supervisor for the State Department of Public Welfare.

Mrs. Lawrence made this statement Monday night in a talk to the Medina County Association for Exceptional Children.

"Foster family care has several advantages over institutional care," she said. "Foster parents can provide the kind of individual, loving attention that in many cases has helped mentally retarded children realize unsuspected potential. It does not set the child apart; it enables him to enter the mainstream of life. Close and continuing relationships in family living provide the child with social, emotional and developmental learning experiences."

Mrs. Lawrence continued, "The basic need of retarded persons are similar to those of the nonretarded—a need for

love, attention and acceptance, a need to learn to care for themselves, a need to learn about the world in which they live, a need to feel productive and worthwhile, a need to have fun and enjoy themselves and others, a need for a philosophy of faith by which they can live."

Foster parents for mentally retarded children need the same qualities as foster parents of other children, but they need some of these qualities in an unusual degree, according to the speaker.

"All foster parents need to be in basic marital agreement and to have physical and emotional stamina, the ability to love the child as he is, and the ability to work with the agency and to grow in their vocation."

"But foster parents of mentally retarded children need and unusual amount of patience, confidence, readiness to set up expectations that are tailored to fit the child's individual needs, optimism and an ability to receive satisfaction from small gains, to tolerate frustration and 'endless' repetition, and to allow the child to be dependent as long as needed without losing sight of ways to help him grow toward self-dependence."

"They also need a secure feeling of acceptance by their neighbors and by others who are important to them. The agency can support foster parents thru supervision and educational opportu-

ity to help them achieve greater understanding and skill in working with the child.

The agency reimburses the family for the foster child's board and room, medical expenses, and a

few special items.

Anyone interested in information without obligation may call the Foster Home Finding Office in San Antonio at 223-9161 or their local State Welfare Office.

Fish requires delicate treatment

sit for more than 24 hours."

Schwartz recommends that if you intend to store fish for later consumption, go ahead and buy frozen fish. It is already packaged correctly.

"When properly thawed, frozen fish can be almost as good as fresh fish," says Schwartz. "But you can't let it sit out at room temperature all day and expect it to taste fresh."

According to Schwartz, frozen fish should be thawed under cold, running water an hour before cooking to preserve flavor.

The same techniques for handling fish should be borne in mind by anglers after a successful fishing trip. Fishermen can preserve the flavor of their fish by getting their catch on ice as soon as possible.

Packages of fish should be just large enough for a family-sized meal so that waste can be avoided.

There are a few things to check for to make sure you are getting the best buy in fish, according to Schwartz.

A whole fish of prime quality actually appears as if it were just taken from the water. The skin is bright, firm and shiny. Any visible blood is bright red. If the fish has not been headed, the eyes should be clear and bulging. Cloudy or sunken eyes are telltale signs of inferior quality. Pre-processed fish fillets should appear moist and freshly cut, with no separation of the flesh.

and, very importantly, whole fish or fish fillets have no strong odor. Don't be afraid to sniff before you buy.

Some freshly caught fish should be set aside for the next meal. The remainder should be gutted, wrapped in freezer paper and frozen as soon as possible. The skin and scales should be left on to protect the fish from freezer burn.

Fish will take up more room in the freezer this way, but they will keep their flavor much better.

Breaded fish is a different proposition, says Schwartz, and the consumer's best chances of getting a good product is only buy seafood which has been inspected and graded by the U. S. Department of Commerce. The inspection stamp and grade will be plainly visible on the wrapper.
